Any such property left by the exhibitor after the time for removal thereof shall be deemed abandoned by the exhibitor. If the exhibitor's booth is to the extent that it cannot be broken down and removed in the allotted time frame listed above, a special variance to the above time frame will need to be supplied, in writing, to the exhibitor prior to the event by Show Management.

3. Use of Exhibit Space. No exhibitor shall sublet or share the space allotted with any other business or firm unless prior written approval has been obtained from Show Management. Exhibitors shall be responsible for keeping their exhibit staffed, neat, clean, and orderly always, and shall act to comply with these rules and regulations and those imposed by the Show Management.

4. Mechanical Failure/Acts of God. Exhibitor expressly waives any and all claims for compensation for any and all loss or damage sustained by reason of any defect, deficiency, failure or impairment of the roof or any water supply system, drainage system, heating system, electrical system, ventilation system, refrigeration system, or other mechanical system leading to or on the exhibition hall premises. Compliance with such laws is mandatory for all Exhibitors and the sole responsibility is that of the Exhibitor. Show Management and service contractors have no responsibility pertaining to the compliance with laws as to public policy as far as individual Exhibitor's space, materials and operation is concerned. Should an Exhibitor have any questions as to the application of such laws, ordinances and regulations to his exhibit or display, Show Management will endeavor to answer them. All booth decorations including carpeting must be flame proofed and all hangings must clear the floor. If inspection indicates any Exhibitor has neglected to comply with these regulations, or otherwise incurs fire hazard, the right is reserved to cancel all, or such part of his exhibit as may be irregular and effect the removal of same at Exhibitor's expense. If unusual equipment or machinery is to be installed, or if appliances that might come under fire codes are to be used, the Exhibitor should communicate with Show Management for information concerning facilities or regulations.
